

CLOUDBRIGHT

Copy the Best Bots. Collect the Profits.

Investor Presentation | February 2026

Hong Kong Cloud Bright Software Limited

THE PROBLEM

Retail investors are locked out of professional trading strategies

\$500K+

Minimum investment
for algo strategies

0%

Transparency into
actual performance

24/7

Markets never sleep,
but humans do

or locked vault visual

THE SOLUTION

Cloudbright — copy-trading platform that makes it simple

- One-click copy trading — no technical skills required
- Start from just \$50 — accessible to everyone
- 100+ verified bots across all risk levels
- Full transparency: every trade, every metric, real-time
- Commission only on profit — our incentives align with yours

Binance, Bybit, OKX
KuCoin, Kraken & more

Aligned With Your Success

1-2%

Commission on Profit Only

No subscriptions
No hidden fees
No upfront costs

- ✓ If you don't earn — we don't earn
- ✓ Revenue scales with user success
- ✓ Lock-in periods: 7-180 days (longer = higher returns)
- ✓ Transparent fee structure visible before copy
- ✓ Zero fees on deposits and platform usage
